	Chemical Engineering from AICTE recognized institution/ University on full time regular mode basis, with three years of shop floor experience in reputed industry/ institution.
Civil	M.E./M.Tech with at least 55% or its equivalent in Civil Engg. or concerned/allied/relevant disciplines from AICTE recognized institution/ University with one-year shop floor experience in reputed industry/institution **OR** B.E/B.Tech with 55% marks in Civil Engineering or allied branch from AICTE recognized institution/ University on full time regular mode basis, with three years' practical experience in reputed industry/ institution. **OR** B. Voc degree with 55% marks in Civil Engg. or allied branch with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC/AICTE recognized institution/ University or Institutions on full time regular mode basis, with 04 years practical experience in Reputed industry/Institution. **OR** A first class Engineering Diploma of three years in Civil Engineering or its equivalent concerned/ allied/relevant disciplines from any State Board of Technical Education/ university with six years' practical experience in Reputed industry/Institution. **OR** National Trade certificate/ National Apprenticeship Certificate in relevant trade with eight years' practical experience in Reputed industry/Institution including training period.
Communication Skill	Masters with at least 55% in English, on full time regular mode basis with minimum of three years' practical experience as soft skill trainer. **OR** Bachelor's with at least 55% with English, on full time regular mode as a major subject, with six years' practical experience as soft skill trainer.
CSE/IT	M.E./M.Tech with at least 55% or its equivalent in Computer Science Engineering/ Information Technology or concerned/allied/relevant disciplines from AICTE recognized institution/ University with one-year shop floor experience in reputed industry/ institution.

	OR B.E./B.Tech with 55% marks in Computer Engineering / Information Technology or its equivalent from AICTE recognized institute/university and three years of experience in reputed industry/ institution. **OR** B. Voc/B.Sc. degree with 55% marks in Computer Science / Information Technology or its equivalent with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC/AICTE recognized institute/university on full time regular mode basis, with four years' experience in reputed industry/institution. **OR** 'A' level certificate from Department of Electronics and Information Technology (DOEACC), Government of India, with five years' experience in reputed industry/institution. **OR** B level certificate from Department of Electronics and Information Technology (DOEACC), Government of India, with three years' experience in reputed industry/institution. **OR** M.Sc Computer/ M.Sc Computer Application/ M.Sc Information Technology/ M.Sc. Software/MCA after passing B.Sc./ BCA from a recognized university with two years' experience in reputed industry/institution. **OR** A first class Diploma of three years in Computer Application/ Engineering or its equivalent from State Board of Technical Education with six years' experience in reputed industry/institution.
Electrical	M.E./ M.Tech with at least 55% or its equivalent in Electrical Engg. or concerned/allied/relevant disciplines from AICTE recognized institution/ University with one-year shop floor experience in reputed industry/institution **OR** B.E./ B. Tech with at least 55% or its equivalent in Electrical Engineering or concerned/ allied/ relevant disciplines from AICTE recognized institution/ University on full time regular mode basis, with three years of shop floor experience in reputed industry/ institution. **OR** B. Voc degree with 55% marks in Electrical or its equivalent with a skill certificate in at least one QP in relevant field of

	NSQF Level 4 or above from UGC/AICTE recognized institute/university on full time regular mode basis, with four years of shop floor/ industrial experience in reputed industry/ institution. **OR** A first class Engineering Diploma of three years in Electrical Engineering or concerned/allied/relevant disciplines from any State Board of Technical Education, with six years of shop floor/ industrial experience in reputed industry/ institution. **OR** National Trade certificate/ National Apprenticeship Certificate in relevant trade with eight years of shop floor experience including training period.
Electronics	M.E./M.Tech with at least 55% or its equivalent in Electronics Engg. or concerned/allied/relevant disciplines from AICTE recognized institution/ University with one-year shop floor experience in reputed industry/institution **OR** B.E./B.Tech with at least 55% or its equivalent in Electronics Engg. / Electronics & Communication Engineering or concerned/allied/relevant disciplines from AICTE recognized institution/ University or Institutions on full time regular mode basis, with three years of shop floor/ industrial experience in reputed industry/institution. **OR** B. Voc degree with 55% marks in Electronics Engg. / Electronics & Communication or concerned/ allied/ relevant disciplines or its equivalent with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC/AICTE recognized institute/university on full time regular mode basis, with four years of shop floor experience in reputed industry/ institution. **OR** A first class Engineering Diploma of three years or its equivalent in Electronics Engg. / Electronics & Communication or concerned/ allied/ relevant disciplines from any State Board of Technical Education, with six years' shop floor experience in reputed industry/institution. **OR** National Trade certificate/ National Apprenticeship Certificate in relevant trade with eight years' shop floor/practical experience in reputed industry/Institution including training period.

Fine Arts	Master Degree in Fine Art with at least 55% or concerned/allied/relevant disciplines from UGC/AICTE recognized institution/ University with one-year relevant experience in reputed industry/institution **OR** Bachelor of Fine Art with at least 55% or its equivalent in concerned/allied/relevant disciplines from AICTE recognized institution/ University or Institutions on full time regular mode basis, with three years of relevant experience in reputed industry/institution.
German	M.A. in German with at least 55% mark from recognized institution/university, or an equivalent degree from an accredited foreign University. Besides fulfilling the above qualifications, the candidate must have cleared U.G.C. NET in German or have preferably C1 & B2 certification. **AND** One year of relevant experience in a reputed industry/institution. **OR** B.A. in German Language with at least 55% marks from a UGC/AICTE recognized institution/university with four years of relevant experience in a reputed industry/institution.
Hospitality	Master degree with 55% marks in Tourism Management or Hotel management from AICTE/UGC recognized institution/ University or Institutions, with two years' experience in Hospitality Sector/Institution. **OR** Bachelor's/B.Voc degree with 55% marks in Tourism Management or Hotel management with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC/AICTE recognized institute/university on full time regular mode basis, four years' experience in Hospitality Sector / Institution. **OR** A first-class Diploma of three years or its equivalent in Tourism or Management or Hotel management with six years' experience in Hospitality Sector / institution. **OR**

	National Trade certificate/ National Apprenticeship Certificate in relevant trade with eight years' reputed hospitality industry/ Institution including training period.
Japanese	M.A. in Japanese with at least 55% mark from recognized institution/university, or an equivalent degree from an accredited foreign University. Besides fulfilling the above qualifications, the candidate must have cleared U.G.C. NET in Japanese or have N3 certification from JLPT. **AND** One year of relevant experience in a reputed industry/institution. **OR** B.A. in Japanese Language with at least 55% marks from a UGC/AICTE recognized institution/university with four years of relevant experience in a reputed industry/institution.
Mechanical (RAC)	M.E./M.Tech with at least 55% or its equivalent in Mechanical Engg., or concerned/ allied /relevant disciplines from AICTE recognized institution/ University with one-year shop floor experience in reputed Industry/ Institution. **OR** B.E./ B.Tech with at least 55% or its equivalent in Mechanical Engg., or concerned/ allied/ relevant disciplines from AICTE recognized institution/ University on full time regular mode basis with three years' shop floor experience in reputed industry/ Institution. **OR** B.Voc degree with 55% marks in Mechanical Engg. or concerned/ allied/ relevant disciplines or its equivalent with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC/AICTE recognized institute/university on full time regular mode basis, with four years of shop floor experience in reputed industry/ institution. **OR** A first class Engineering Diploma of three years or its equivalent in Mechanical or concerned/ allied/ relevant disciplines from any State Board of Technical Education, with six years' shop floor experience in reputed industry/institution. **OR** National Trade certificate/ National Apprenticeship Certificate in relevant trade with eight years' shop

	floor/practical experience in reputed industry/Institution including training period.
Medical Lab. Technology	Masters with 55% marks in Medical Lab Technology/ allied branch or its equivalent from recognized Institute/University and two years of experience in reputed Industry/Institution **OR** B.E./B.Tech with 55% marks in Medical Electronics/Technology/Bio-Medical Engg., allied branch or its equivalent from AICTE recognized institute/university and three years of experience in reputed industry/institution. **OR** B. Voc/B.Sc. degree with 55% marks in Medical Lab Technology/ allied branch or its equivalent with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC/AICTE recognized institute/university on full time regular mode basis, with four years' experience in reputed industry/institution. **OR** A first class Engineering Diploma of three years in Medical Lab Technology/ allied/ relevant disciplines from any State Board of Technical Education, with six years' experience in reputed industry/institution.
Music (Vocal & Instrumental)	Masters with 55% marks in music/ allied branch or its equivalent from recognized Institute/University and two years of experience in reputed Industry/ Institution. **OR** Graduate Degree with 55% marks in Music or allied branch from recognized institution/ University, with four years' experience in reputed industry/institution. **OR** B. Voc degree with 55% marks in Music or allied branch with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC recognized institution/ University on full time regular mode basis, with 04 years' experience in reputed industry/institution.
Nursing	B.Sc. Nursing/Post Basic. B.Sc. Nursing with 55% marks from recognized institution/ University, with one year teaching experience in reputed Institution. Candidate must be registered with State Nursing Council. **M.Sc. Nursing Preferable**

Pharmacy	B.Pharm with 55% marks from PCI recognized institute/university and three years of relevant experience in reputed industry/institution. **OR** A first class two year Diploma in Pharmacy after class +2 from any State Board of Technical Education, with five years' relevant experience in reputed industry/institution. **Essential:** Candidate must be registered with State Pharmacy Council.
Physics	Master's degree with at least 55% or its equivalent in Physics or concerned/ allied/ relevant disciplines, with two-year experience in reputed industry/institution. **OR** Bachelor's degree with at least 55% or its equivalent in Physics or concerned/ allied/ relevant disciplines, with four-year experience in reputed industry/ institution. **OR** B.Voc degree with 55% marks with physics or concerned/ allied/ relevant disciplines or its equivalent with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC/ AICTE recognized institute/university on full time regular mode basis, with four years' experience in reputed industry/institution.
Physiotherapy	Master Degree in Physiotherapy with 55% marks from recognized institution/ University, with one year teaching/clinical experience in reputed industry/ institution. **OR** Bachelor Degree in Physiotherapy with 55% marks from recognized institution/ University, with three years teaching/clinical experience in reputed industry/ institution. **Essential:** Candidate must be registered with State council/NCAHP.
Printing & Technology	M.E./M.Tech with at least 55% or its equivalent in Printing Technology or concerned/allied/relevant disciplines from AICTE recognized institution/ University with one-year shop floor experience in reputed industry/institution.

	OR B.E/B.Tech with 55% marks in Printing Technology or allied branch from AICTE recognized institution/ University on full time regular mode basis, with three years' practical experience in reputed industry/ institution. **OR** B. Voc degree with 55% marks in Printing Technology or allied branch with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC/AICTE recognized institution/ University or Institutions on full time regular mode basis, with 04 years practical experience in Reputed industry/Institution. **OR** A first class Engineering Diploma of three years in Printing Technology or its equivalent concerned/ allied/relevant disciplines from any State Board of Technical Education/ university with six years' practical experience in Reputed industry/Institution. **OR** National Trade certificate/ National Apprenticeship Certificate in relevant trade with eight years' practical experience in reputed industry/Institution including training period.
Yoga	Master's Degree with at least 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Physical Education/ sports/ Yoga or concerned/allied/relevant disciplines from UGC recognized university /institution on full time regular mode basis with three years practical/teaching experience in relevant field; **OR** B.Voc with at least 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Physical Education/ sports/ Yoga or concerned/allied/relevant disciplines with a skill certificate in at least one QP in relevant field of NSQF Level 4 or above from UGC recognized university /institution on full time regular mode basis with 04 years practical/teaching experience in relevant field; **OR** A graduate degree with 55% in Physical Education/ sports/ Yoga with six years practical / professional experience in relevant field.
