4. TGTET - BACKGROUND AND RATIONALE

i. The implementation of the Right of Children to Free and Compulsory Education (RTE) Act, 2009 requires the recruitment of a large number of teachers across the country in a time bound manner. In spite of the enormity of the task, it is desirable to ensure that quality requirement for recruitment of teachers is not diluted at any cost. It is therefore necessary to ensure that persons recruited as teachers possess the essential aptitude and ability to meet the challenges of teaching at the Elementary level Classes (I to VIII).

ii. In accordance with the provisions of Sub-section (1) of Section 23 of the RTE Act, the National Council for Teacher Education (NCTE) had vide Notification dated 23rd August,2010 laid down the minimum qualifications for a person to be eligible for appointment as a teacher in classes I to VIII. It had been inter alia provided that one of the essential qualifications for a person to be eligible for appointment as a teacher in any of the schools referred to, in clause (n) of Section 2 of the RTE Act is that she/he should pass the Teacher Eligibility Test (TET) which will be conducted by the appropriate Government in accordance with the Guidelines framed by the NCTE. Accordingly, Government of Telangana State has issued guidelines for conducting Teacher Eligibility Test vide. G.O. Ms.No. 36, School Education (Training) Department, Telangana State dated: 23.12.2015, G.O. Ms.No.8 School Education (Ser.III) Dept., dt 23.03.2022 and G.O. Ms.No.18 School Education (Ser.III) Dept., dt 05.07.2024, G.O. Ms.No.24 School Education (Ser.III) Dept., dt 08.07.2025 and G.O. Ms.No.28 School Education (Ser.III) Dept., dt 13.11.2025

iii. The rationale for including the TET as a minimum qualification for a person to be eligible for appointment as a teacher is as under.

i. It would bring national standards and benchmark of teacher quality

in the recruitment process;

ii. It would induce teacher education institutions and students from these institutions to further improve their performance standards;

iii. It would send a positive signal to all stakeholder that the Government lays special emphasis on teacher quality.
